Greeter

The Asokewin Friendship
Centre Society is looking for
an energetic, client-focused and
community-member-focused
Greeter to join our team.

Greeter responsibilities include:

A Greeter's responsibilities include ensuring guests are
greeted and providing directions or information to clients to
ensure they find the program and/or support they are
looking for.

- Greet clients, community members, membership as they enter our centre.
- Help with our centre's visual appearance, environment.
- Work with our coordinators to determine the best means to keep the clients and community members informed and engaged.
- Provide information on our current supports and services.
- Help keep track of how many clients and community members are seen throughout the day.
- Provide advice or direct guests to the appropriate person, place or program.
- Schedule follow-up appointments, calls or book meetings.
- Help maintain a clean and welcoming environment.

Requirements and skills:

- Proven work experience as a Greeter or similar role.
- Customer service experience a plus.
- An understanding of our Friendship Centre, programs, supports and services.
- Excellent interpersonal and communication skills.
- Basic computer knowledge.

What makes a good Greeter?

A good Greeter must be friendly, personable and able to interact with a wide variety of people. In addition, they must be physically fit as they will spend most of their time standing throughout their shift.

Who does a Greeter work with?

A Greeter typically works alone throughout their shift, and they are supervised by the Executive Director who assigns their workstation and oversees the quality of service provided to community members throughout the shift.

Please submit cover letter and resumé
by May 15, 2024, to:

Kristin McEnelley, finance@asokewin.ca

Or drop off in person at the

Asokewin Friendship Centre Society

4917-52 Street, Rocky Mtn. House

Designer

The designer plays a crucial role in the
design and development of electrical distribu-
tion systems for various projects (overhead and
underground). They collaborate with internal and
external stakeholders to ensure designs meet
the project requirements and comply with rele-
vant codes and standards.

Responsibilities:

- Designing electrical systems for a diverse range of projects.
- Creating electrical drawings, schematics, and diagrams using design software.
- Ensuring that electrical designs comply with codes, regulations, and safety standards.
- Conducting site visits and inspections to assess existing electrical systems, new construction site requirements or troubleshoot issues.

Qualifications:

- 3+ years of experience working within the electric utility industry, is preferred.
- Previous experience in electrical design is an asset.
- Proficiency in design software such as Bentley SPIDAcad is preferred.
- Skilled with Microsoft Office Applications (including Outlook, Excel, Word)
- Commitment to excellent customer service
- Effective communication and teamwork abilities.

- Enjoy working independently or in a team environment
- Outdoor environment as some field work is required (field checks, staking, etc.)

Valid Class 5 Driver's License is required

Benefits:

- Full Time (40 hours per week), year-round
- Excellent benefits package
- RRSP Program

HOW TO PLAY

Fill in the grid so that every row, every column and every 3 x 3 box contains the numbers 1 through 9 only once. Each 3 x 3 box is outlined with a darker line. You already have a few numbers to get you started. Remember: you must not repeat the numbers 1 through 9 in the same line, column or 3 x 3 box. Check next week's paper for the solution to this puzzle.
